

Flash Media Services

Public Relations

- Strategy • Consultation • Representation
- Media Relations and Communications Training
- Crisis Communication
- Digital Photography

Flash Media Services has a proven track record for successfully placing prominent stories with local, regional and national media outlets. Led by Cynthia Flash, the firm has an insider's knowledge of how reporters, editors and broadcasters work and knows how to grab their attention for maximum media impact. Flash Media Services can advise clients on how to tell their story to the general public, and how they can appeal to their donors.

Writing

- Brochures
- Newsletters
- Award applications
- Ghost-written articles for placement in prominent publications
- Internal and external communication (letters, messaging, newsletters)
- Media materials, press packets, staff biographies, customer testimonials
- Web content
- Position papers
- Annual reports to donors

Flash Media Services routinely provides ghost-written articles and content for top-level business and non-profit executives, corporations and individuals.

Editing

- Newspaper Special Sections
- Articles and Other Publications

Flash Media Services has more than 20 years of editing experience.

About Flash Media Services

Flash Media Services is a media consulting firm owned by Cynthia Flash. Founded in 2000, Flash Media Services is a successful public and media relations company that is well-respected by the media and clients alike. The goal with all clients is to represent them in a positive light before the public and their constituents through all forms of communication.

*Serving clients
and the community
with a nose for news
and a bit of flash.*
